Subject: List of selected officials for the Paris 2024 Olympic Games

Dear Mr. President,

We have just completed the qualification phases for the Olympic Games. The World Qualifier organized in Istanbul (TUR) also served as the final evaluation for referees aspiring to be selected for the Paris 2024 Olympic Games.

The selection process began in 2023 and by this circular we would like to thank each participating referee for their commitment and implication when they officiated.

The Members of the UWW Refereeing Commission thoroughly discussed and analysed the performance of all 15 referees throughout these phases. After extensive deliberations, they selected the 50 International Technical Officials for the Olympic Games.

This list has been sent to the Bureau Members for approval.

Enclosed, you will find the list of selected officials for the Paris 2024 Olympic Games. We would like to congratulate each of them for this selection and dedication to our Sport.

Olympic Games

United World Wrestling will book their flight tickets according to the information provided earlier this year. All selected officials will soon receive their flight tickets.

Each referee is allowed to have an accompanying guest during the Olympic Games but each of them will have to cover the additional cost (including breakfast and city taxes - amounts to be confirmed later). The guest will be accommodated in the same room and will **not receive an accreditation**.

Referees' Seminar prior to the Olympic Games

As previously mentioned, a training course will take place in Athens from June 20th to June 24th. Further information will be shared to all selected referees in the coming days. Several Federations have inquired about the costs associated with this clinic. We can confirm that the accommodation fee will be set at EUR 150 per day. These costs, along with travel expenses, will be covered by the referees' Federations.

Other duties until the end of the year

We also want to remind all IS referees not on the list that they must still fulfill their obligations for 2024. Referees not selected for the Games will be assigned to work at various World Championships. Therefore, we encourage them to continue to train and attend competitions.

We hope this provides all the necessary information and remain at your disposal for any questions related to this topic.

Sincerely Yours,

Jean-Daniel Rey
Sports Director
